

Praxis II **Workshop**

Educational Testing Service will conduct

A Candidate Awareness for *Praxis II*® Tests Workshop

In this one-day workshop, candidates work with test content overviews
to familiarize themselves with the test.

The workshop provides participants the opportunity to review and discuss:

- what each test measures
- how the tests are constructed
- how to use free, online resources to create an individualized study plan
- tips for combating test anxiety
strategies for taking the test

This workshop is recommended for teacher candidates who are planning to take the *Praxis II* test and would like to know how they can better prepare for test day.

Praxis Workshop Schedule
