**SITE NAME:** UNICEF- United Nations Children's Fund

**CONTACT INFORMATION:** visit [www.unicef.org](http://www.unicef.org)

**AGENCY DESCRIPTION:** UNICEF is the driving force that helps build a world where the rights of every child are realized. We have the global authority to influence decision-makers, and the variety of partners at grassroots level to turn the most innovative ideas into reality. That makes us unique among world organizations, and unique among those working with the young.

We are part of the Global Movement for Children – a broad coalition dedicated to improving the life of every child. Through this movement, and events such as the United Nations Special Session on Children, we encourage young people to speak out and participate in the decisions that affect their lives.

We work in 191 countries through country programmes and National Committees. We are UNICEF, the United Nations Children's Fund.
